

EZ Class Instructions: How to Exit a Course and Find the Quiz

1. When you finish a course, you will come to a window that looks like this. Click on the “X” in the upper right side of the box to close the course and return to the menu.

2. You will return to the main menu, which may look something like this (below). If your course has a quiz associated with it, click on the quiz to begin.

If you require further assistance, contact Frank Margulis at (609) 521-4446 or by email, frankm@CATeyes.us.
